Forward-looking Statements

This press release may contain forward-looking statements, including, but not limited to, statements regarding Valeant's intent to hold an Investor Day, future business performance, the success and approval (if any) of product candidates, expected growth and pricing. Forward-looking statements may generally be identified by the use of the words "anticipates," "expects," "intends," "plans," "should," "could," "would," "may," "will," "believes," "estimates," "potential," "target," or "continue" and variations or similar expressions. These statements are based upon the current expectations and beliefs of management and are subject to certain risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. These risks and uncertainties include, but are not limited to, risks and uncertainties discussed in the Company's most recent annual or quarterly report and detailed from time to time in Valeant's other filings with the Securities and Exchange Commission and the Canadian Securities Administrators, which factors are incorporated herein by reference. Readers are cautioned not to place undue reliance on any of these forward-looking statements. These forward-looking statements speak only as of the date hereof. Valeant undertakes no obligation to update any of

these forward-looking statements to reflect events or circumstances after the date of this press release or to reflect actual outcomes, unless required by law.

*The Company does not provide guidance with respect to GAAP financial measures other than revenues or provide reconciliations to GAAP of its forward-looking non-GAAP financial measures due to the inherent difficulty in quantifying certain amounts that would be required to be included in the GAAP measure of earnings per share due to their unknown effect, timing and potential significance. Examples of these items include impairments of assets, gains and losses from the extinguishment of debt, legal settlements, purchases of in-process research and development assets, and gains and losses from asset sales. Accordingly, the GAAP calculation of projected net income (loss) is not available for Valeant without unreasonable efforts.
